1600 West Goguac Street
Battle Creek, MI 49015

Dear Mr. Lee:

I would like to sincerely thank you and Korean Martial Arts, LLC for the beautiful roses that were sent to my office. I enjoyed them with the rest of my Executive Staff.

I was more than happy to support Martial Arts Day in Michigan. As the proclamation states: it builds strength, character, focus, flexibility, and coordination while enhancing performance in other sports, in the workplace, at home, and in school; all qualities that are essential in making healthy and productive citizens of our great state. Thank you for the work you do and the martial arts services you provide to the citizens of Battle Creek.

Again, please accept my many thanks and best wishes as you travel to Seoul for the International Hap Ki Do Federation Championships in 2007.

Sincerely yours,
